Dance Festival

The Year 6 dance group completed a fantastic performance at St Luke's Science and Sports College on Monday morning. The show was the result of considerable effort over the past few weeks both in their lunchtimes and after school, co-ordinated by Miss Withers. The group of seven girls and three boys performed their own contemporary dance to Bad Boys by Alexander Burke. The dance show was attended by several Exeter schools and the children enjoyed the opportunity to admire a wide range of dance styles including, tap-dance and some GCSE performers.

PTA

Don't forget that tonight is the **PTA Quiz Night**. There are already twelve teams and if you would like to enter please see one of the Committee members.

Also next Saturday is the **PTA Christmas Fair**. Raffle tickets are being sent in to school but please make sure that each ticket **is clearly named and has a contact**. Letters have been sent home explaining about the non-school uniform day on **Wednesday 25th November** and the donations for each year group. Finally, if anyone has a suitable raffle prize please let one of the PTA committee members know.

Jump Rope

Thursday afternoon saw Year 6 running a sponsored Jump Rope skipathon for the rest of the school. The money raised will support the good work of the British Heart Foundation with 10% being spent to provide playground equipment in school. All sponsor money should be in by **Friday 27th November**. Each class completed a series of skipping exercises, practising their skills and taking part in a competition to find the top skippers in each year group. All the classes showed tremendous stamina in completing their skipping challenge and we hope that the children will continue developing their skipping skills during their break and lunchtimes. Well done to everyone involved.

School Council

The School Council organized a fantastic biscuit and drink sale today in aid of Children in Need. They raised an impressive £86.44.
