Non-uniform Day

When the PTA met with the school council the children were keen to have a non-school uniform day with a Christmas themed competition. On Wednesday a number of the children came to school in some fantastic costumes. The school council had a difficult job choosing the best costume but in the end **Daniel** in Year 4 and **Carina** in Year 1 were voted as the winners. Well done to everyone who took part and thank you for the donations for the Christmas fair.

PTA - Christmas Fair

Between 2pm and 5pm tomorrow is the school's Christmas Fair and all are welcome to join in the fun. There will be a BBQ, games and activities, children's craft for sale, cakes and refreshments and much more. I have also heard that **Father Christmas** will be making a grand entrance sometime between **2pm and 2:15pm**. If you are able to spare a bit of time on Saturday either before the fair to set up, or during the fair to run a stall I know this will be greatly appreciated by the PTA committee. Please see one of the PTA committee if you can offer some help. I look forward to seeing you all tomorrow during the fair.

Dates

- ◆ 28/11/09 - Christmas Fair
- ◆ 8&9/12/09 - Infant nativity
- ◆ 11/12/09 - PTA Disco
- ◆ 16/12/09 - Junior Carol Service @ 7pm
- ◆ 18/12/09 - Last day of term.
- ◆ 5/1/10 - Non-pupil day.

Infant Nativity

A letter has gone out to the parents who have infant children, with details of the infant nativity play on the **8th and 9th December at 2pm**. There is a reply slip so that tickets can be requested. Due to the size of the hall there is a restriction on the number of tickets for each performance, so in the first instance every family is limited to two tickets. If there are any spare we will try and meet people's requests. Thank you for your understanding in this matter.

Year 4

A few weeks ago I included in the newsletter some pictures of Year 4's trip to Brixham to visit the Golden Hind as part of their Tudor theme. Whilst they were there they also had a good look at the harbour. In Geography the children need to look at how land is used and how human activity and industry can affect the landscape. They also need to create maps and develop an understanding of keys and symbols. Below are some excellent 3D maps, created by Year 4, showing the features of a harbour.

Jump Rope

Last week the children took part in a skipathon to raise money for the British Heart Foundation. The children had a fantastic time and much of the sponsor money has now been collected. If there is any more money to come in please could it me in by **Monday 30th November**. Thank you.
